Ishi Nail is a leading wholesaler in Nail Art products and accessories with distributors in key markets such as Europe, United States, Canada, Australia, China, and Hong Kong. Nail art is such a huge thing that there are even contests where top nail artists pit their skills against the best in the country. Depending on the services available, your manicurist will draw patterns on your nails, apply colorful nail stickers, or stick some water-based decals or gems. A more sophisticated nail job would involve airbrushing designs onto the nails for a more beautiful finish. Nail art is becoming the next big thing for ladies who prefer something more dramatic.

One of the most interesting additions to nail art technology in recent years has been the advent of Nail Art Canes. fimo canes are utilized for performing the nail art. Nail Art Canes designing is made by applying a clear coat of fingernail polish and then by placing a thin slice of Designer Cane where desired while clear coat nail polish is still wet. After it is let dry, further applying is done with one or two more coats of clear nail polish over nail and Cane slices. Designer Canes are hand made one at a time out of polymer clay. The polymer clay is layered in different colors creating the design that runs through the cane. After careful building the Designer Cane is very carefully stretched and baked. Designer Canes are fun and easy to work with. Enjoy using them in rubber stamping, and other paper crafts, beading and jewelry, miniatures, doll making, and any other craft projects.

Beautiful Designs can be achieved with the coloured Acrylic Nail Art. The firm specializes in acrylic nails, acrylic nail supplies, artificial acrylic nails, and professional nail drills gentle gels.
